

## **WEAR PARTS FOR SCREW PRESSES**

## **UP TO THE POINT AND FLEXIBLE ...**

Our customers profit from KEK's high level of capital tied-up warehousing, short-term delivery and flexibility. Furthermore, we offer to our customers individual designs regarding special demand of spare parts design and quality for an optimised production. Knife Bars, Clamping Bars, Cage Bars or Spacer – we deliver in constant high quality the parts you need for a smooth production.

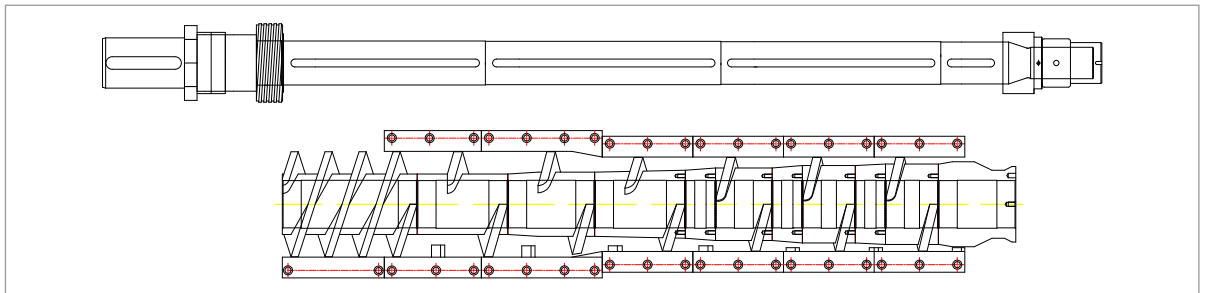

## **INDIVIDUAL SCREW PRESS ARRANGEMENTS**

*Screw Press Wear Parts*

*Engineering*

Decades of experience in construction and manufacturing of screw press wear parts for the vegetable oil mill and animal fat industry make our products your first choice.

Beside reliability, operating & repair and service

facilities, you will appreciate our products for the quality of maintenance and precise production of each part.

Also, we can design your screw and cage arrangement according to your individual demand.
